T.H.S.THEME for the 1979-80 school year . . .

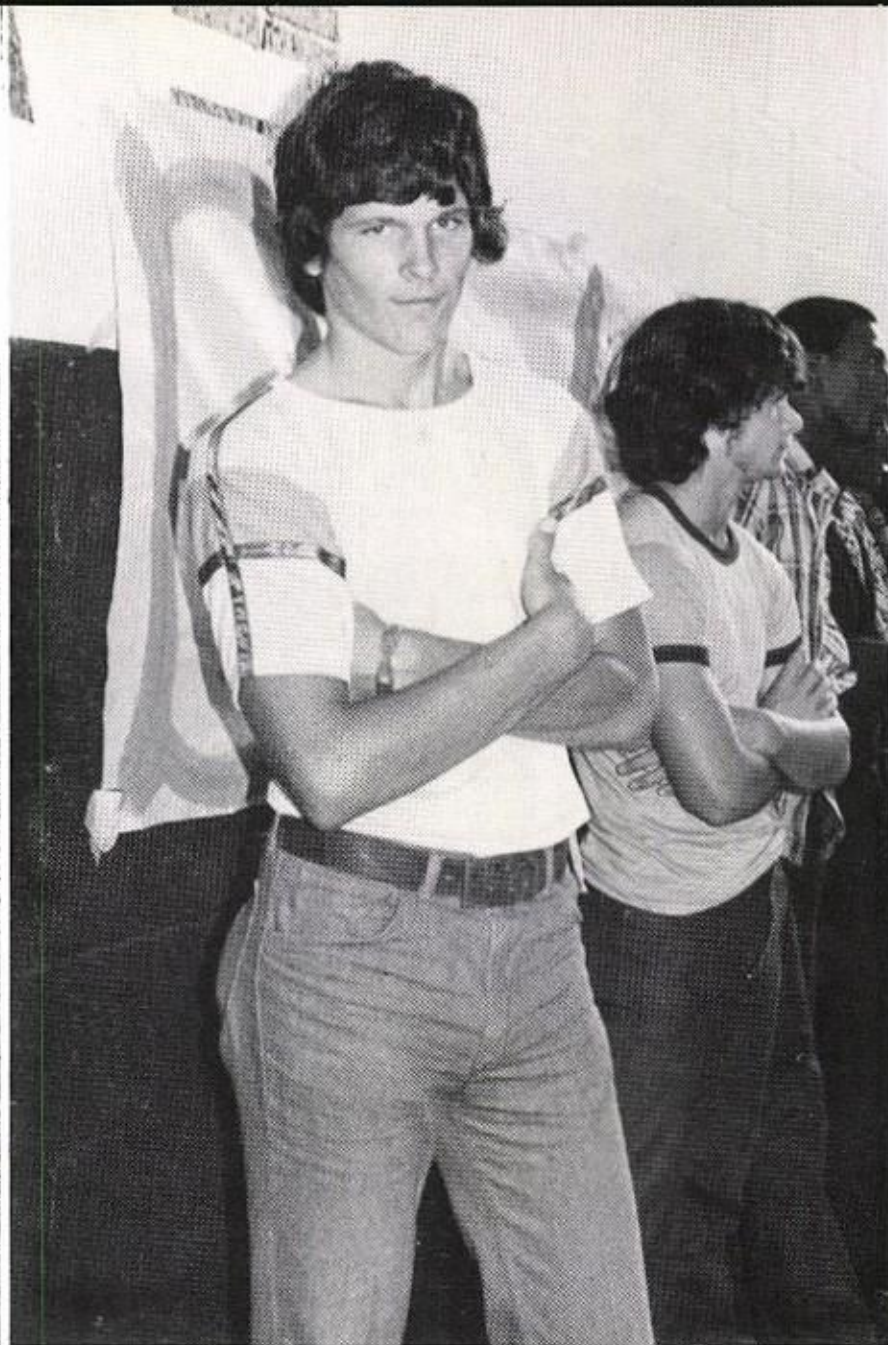

Our school is like a mirror,
Reflecting what we do.
So give to the school the best you have,
And the best will come back to you.

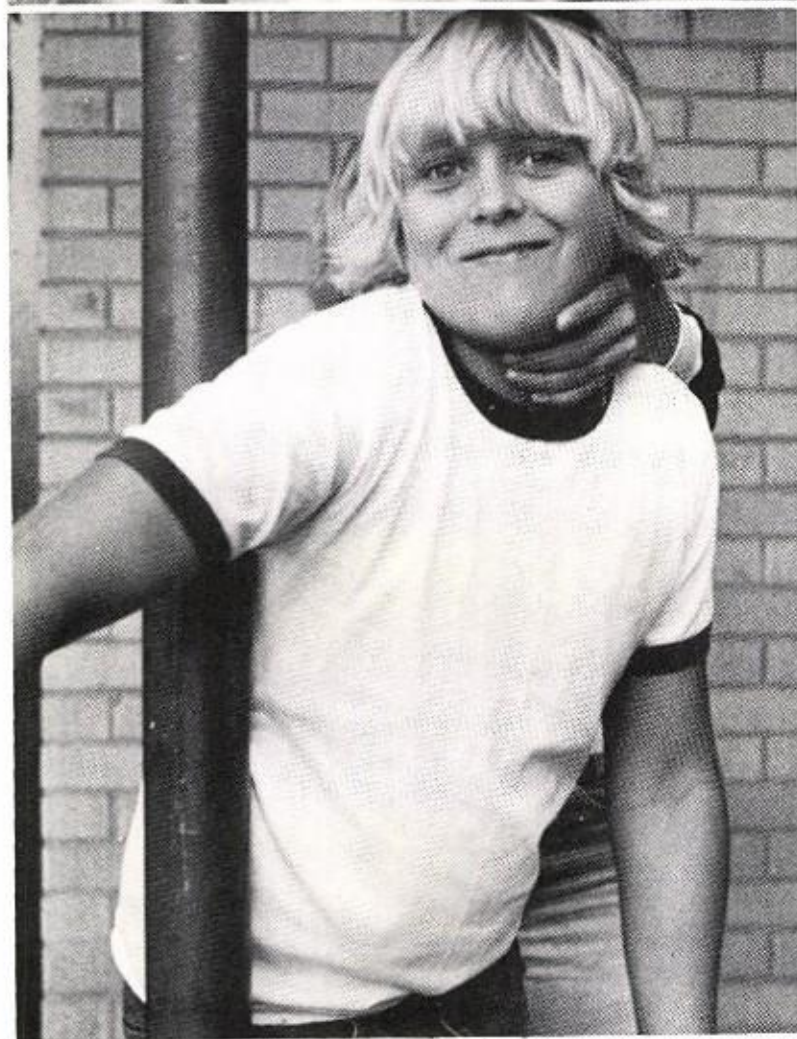

The Guy In The Glass

When you get what you want in your
struggle for self,
And the world has made you
king for the day . . .

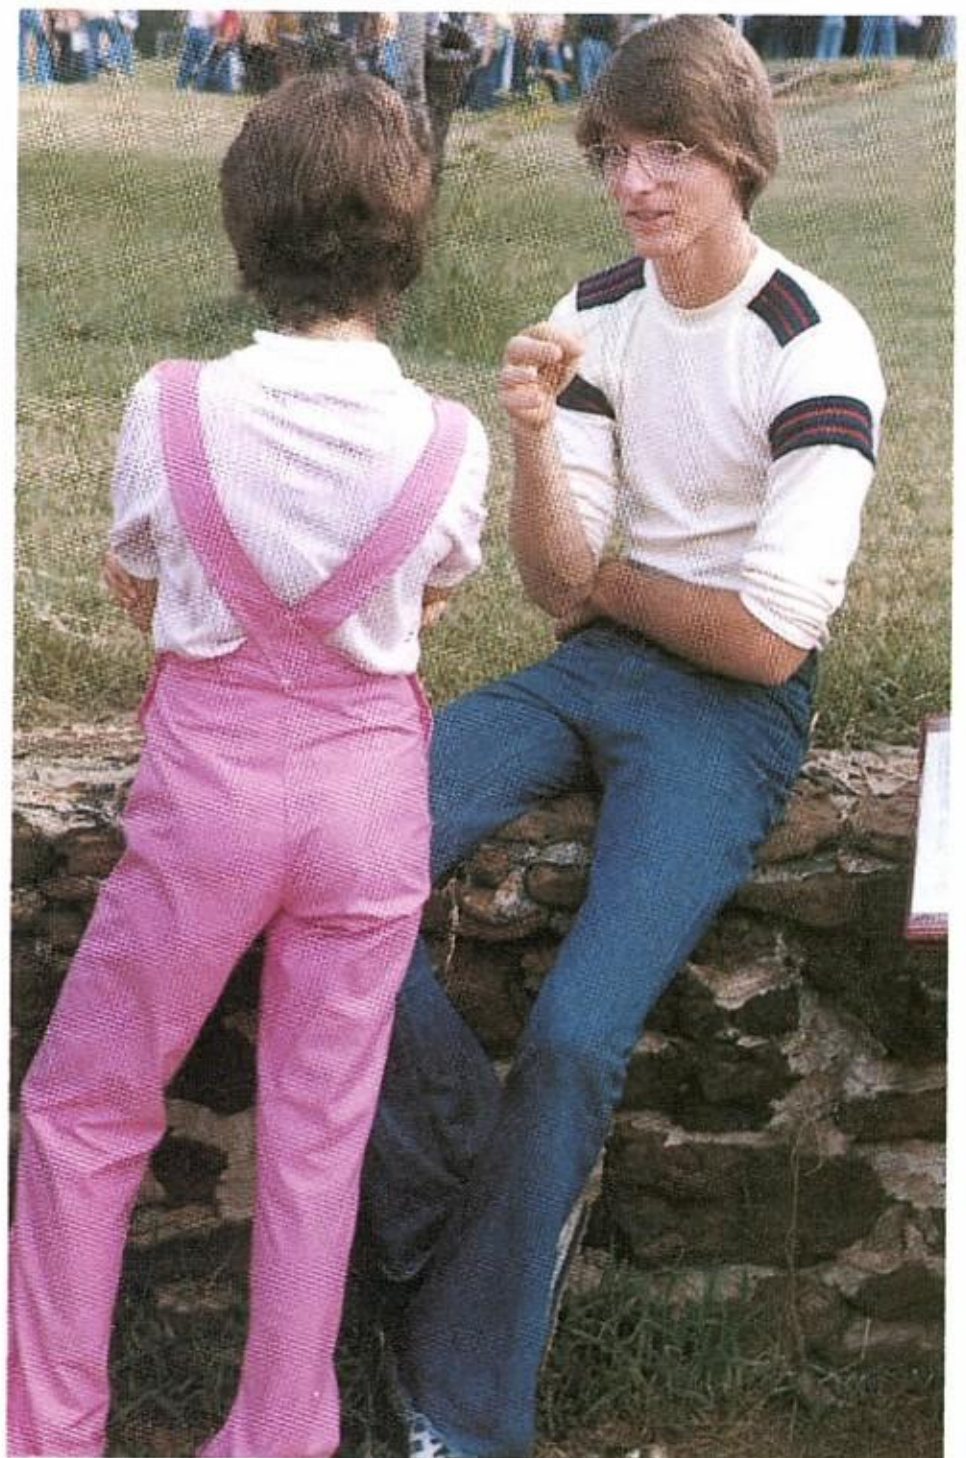

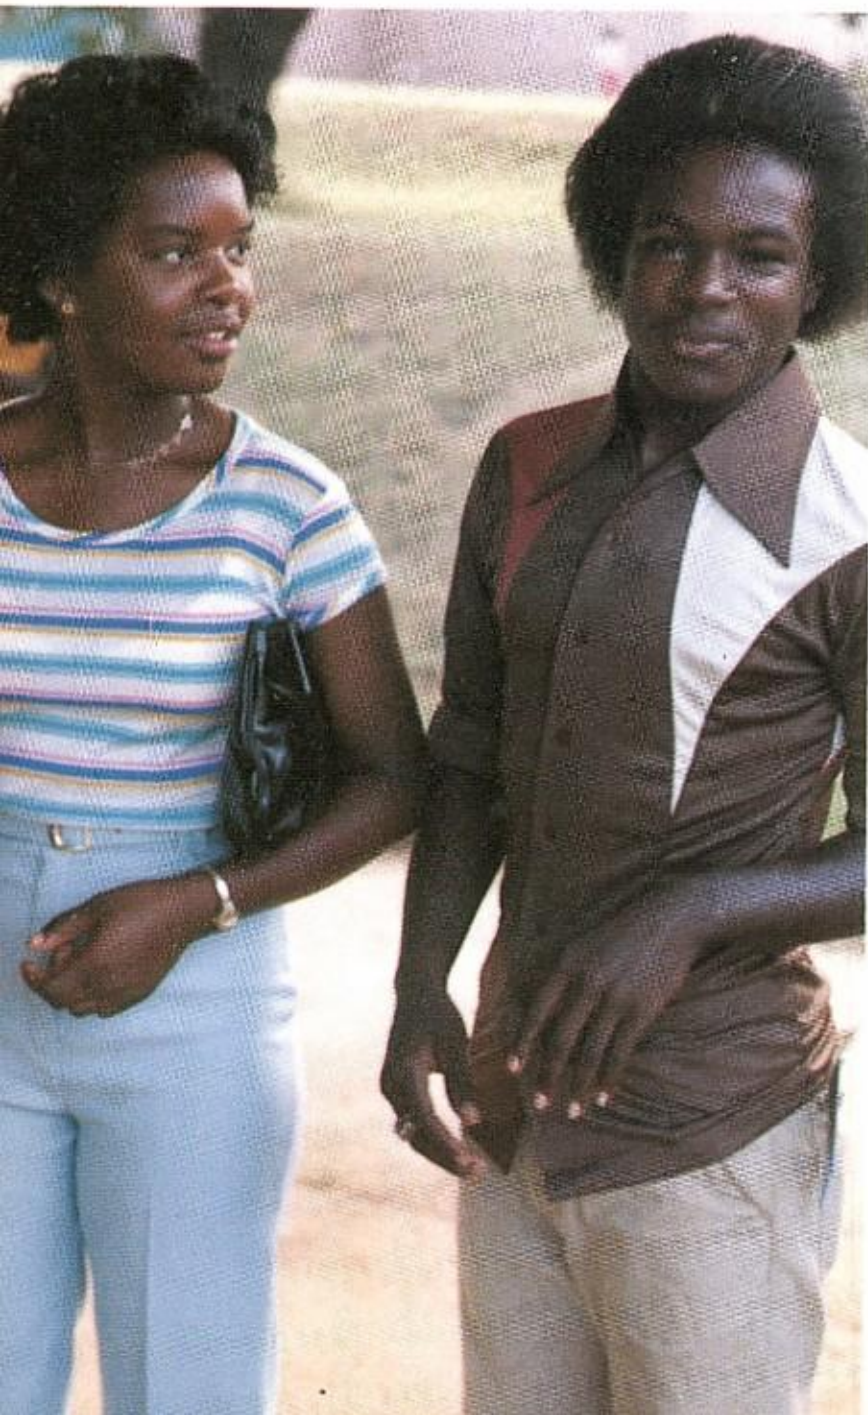

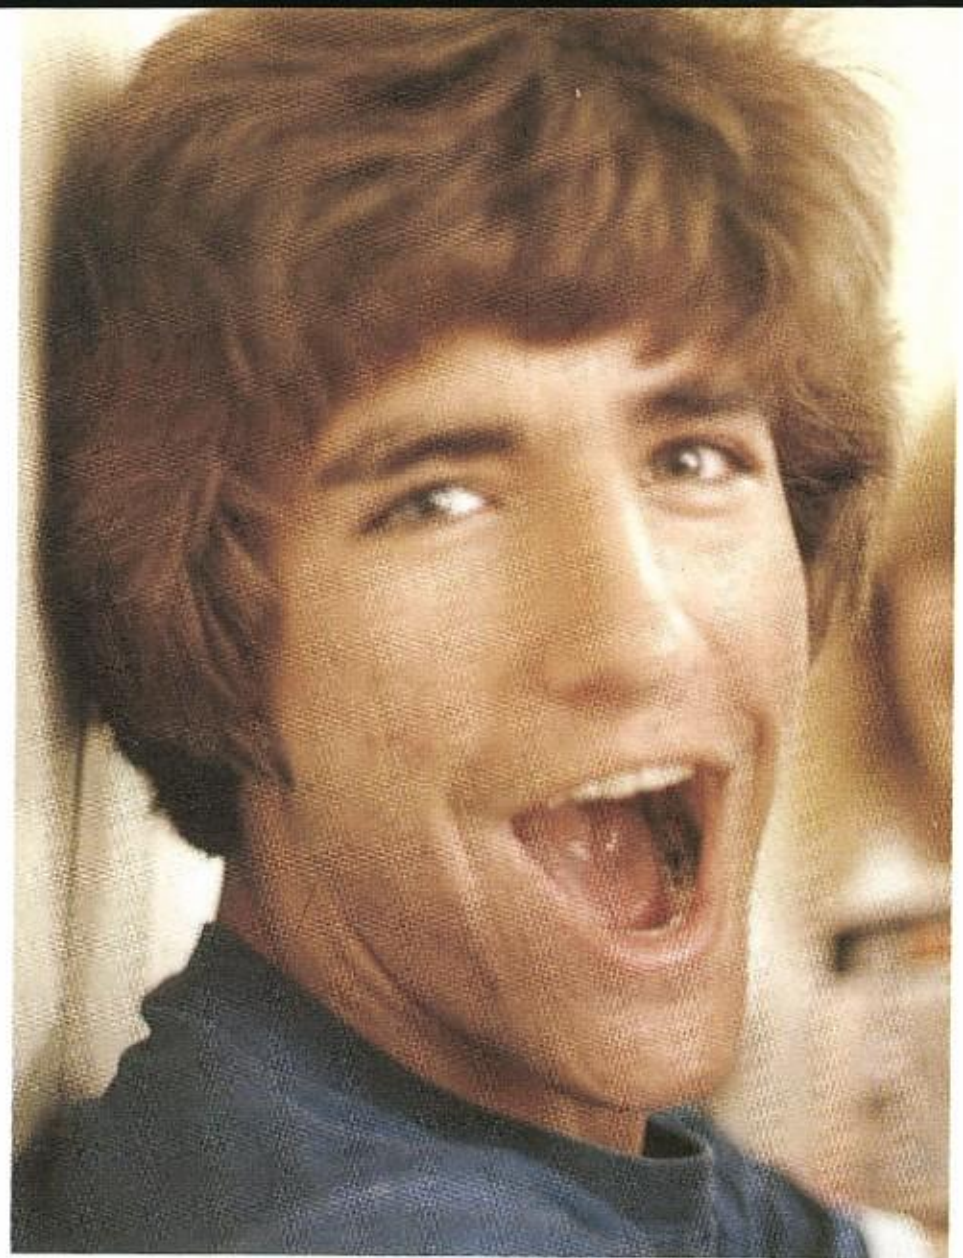

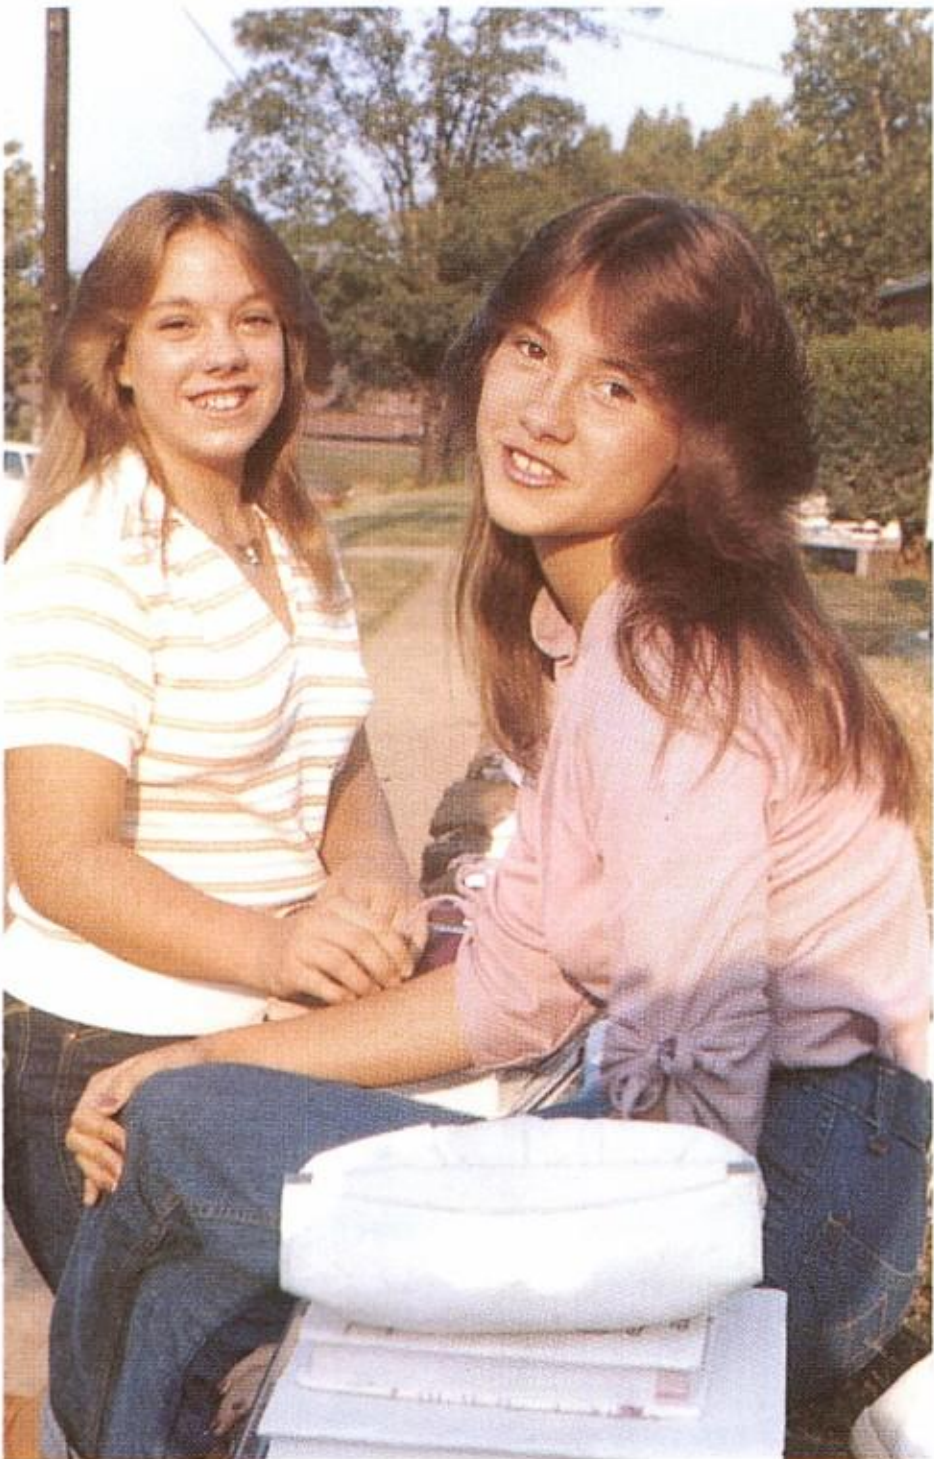

... Then go to the mirror, take a
look at yourself,
And see what that guy has to say

...

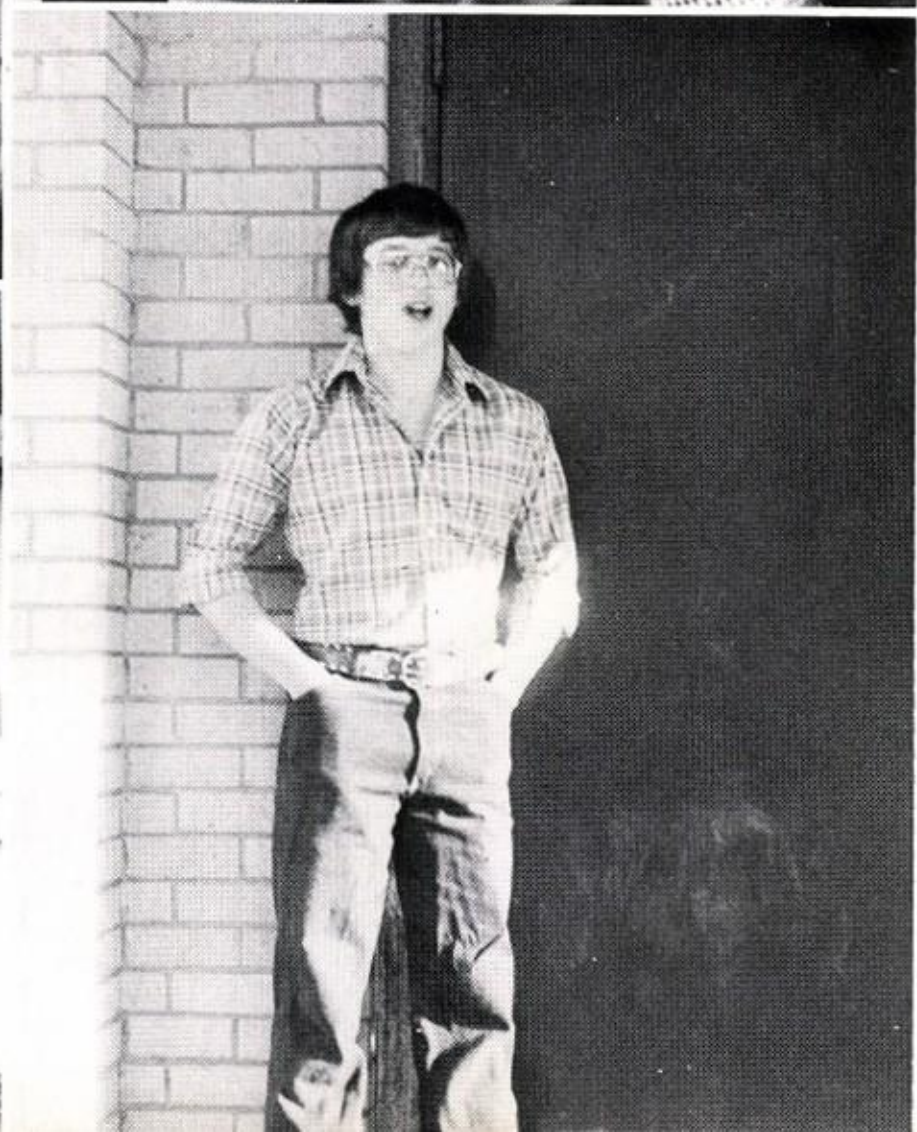

You can be like Jack Horner
and chizzle a plum, and think
you're a wonderful guy,
But the guy in the glass knows
you're only a bum,
If you can't look him straight in
the eye...

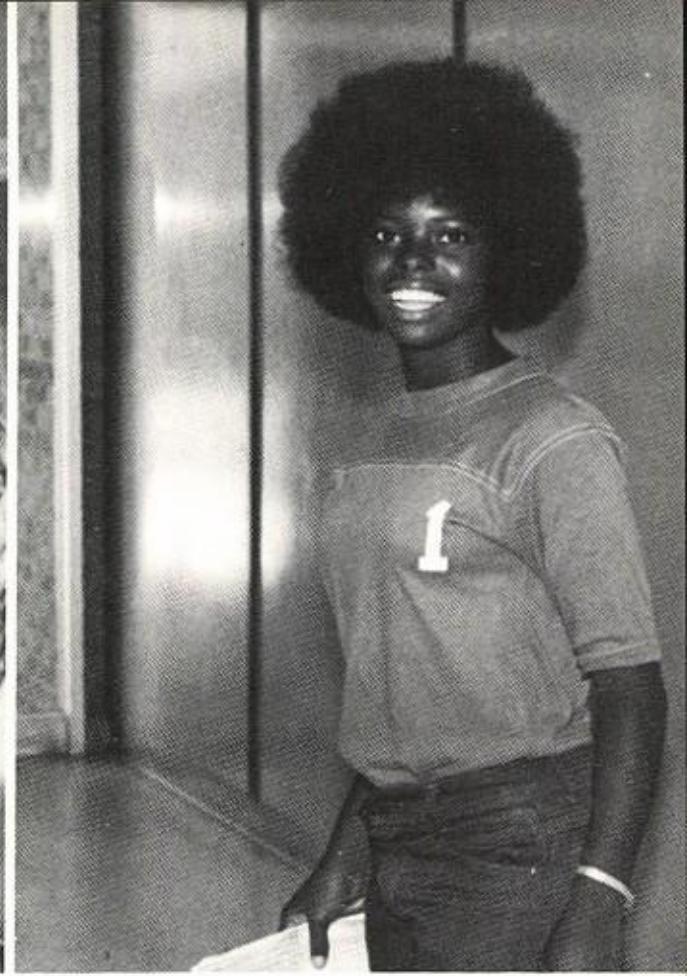

... For it's not your father or your mother on you whose judgment is to pass,
But the most important verdict of your life, is the guy staring back from the glass ...

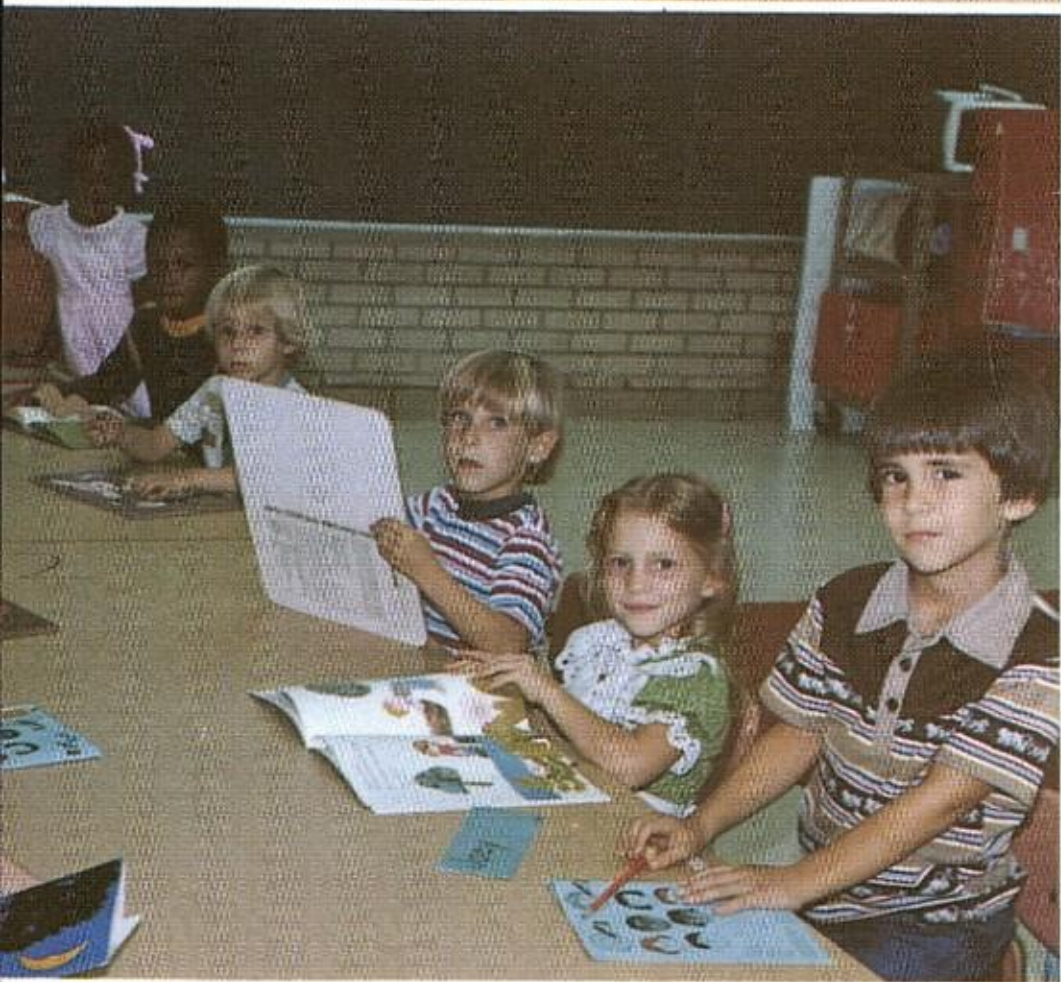

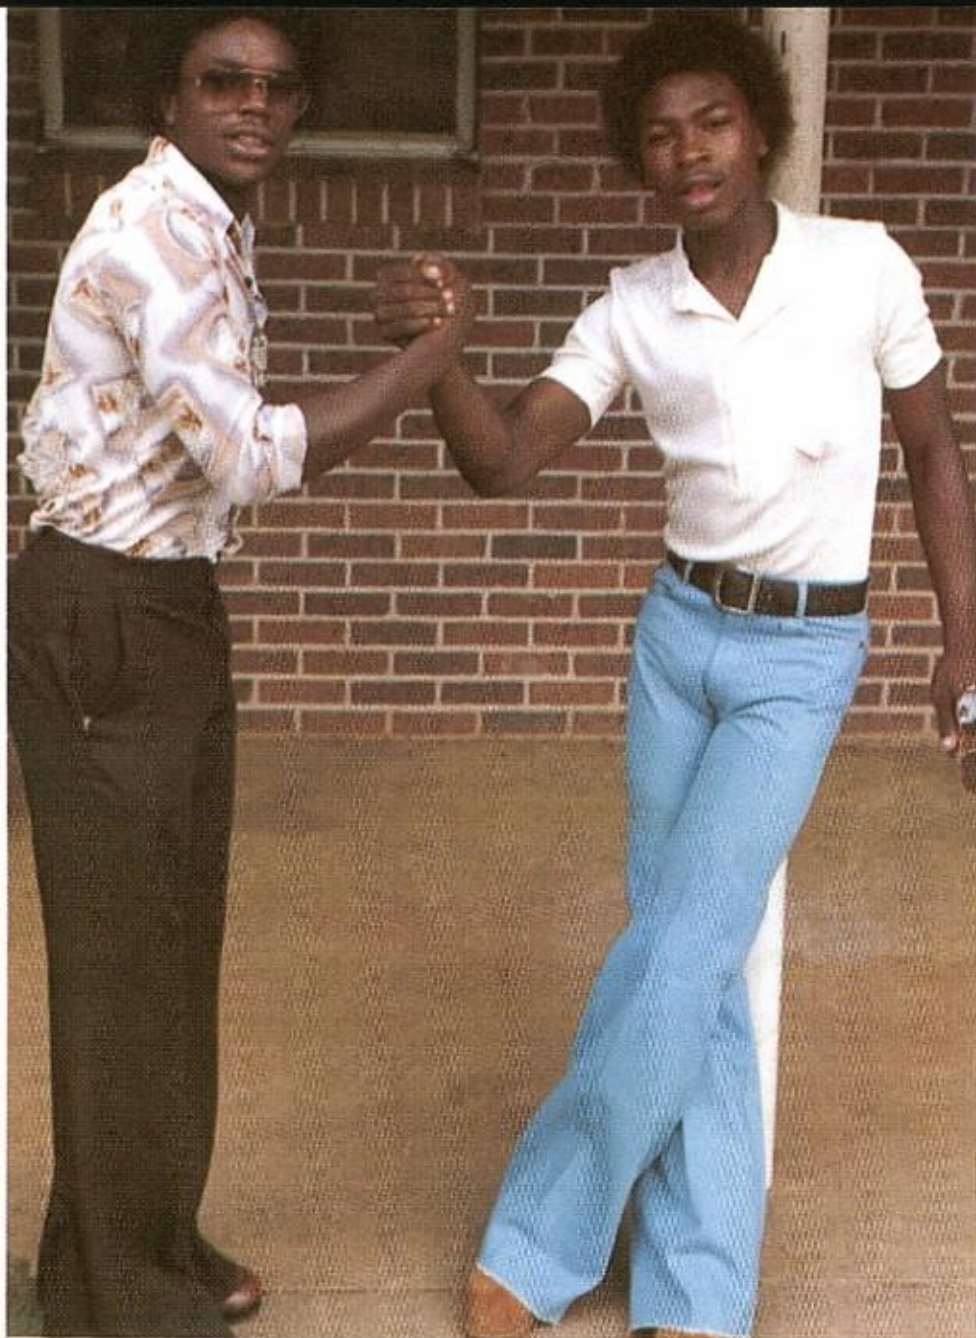

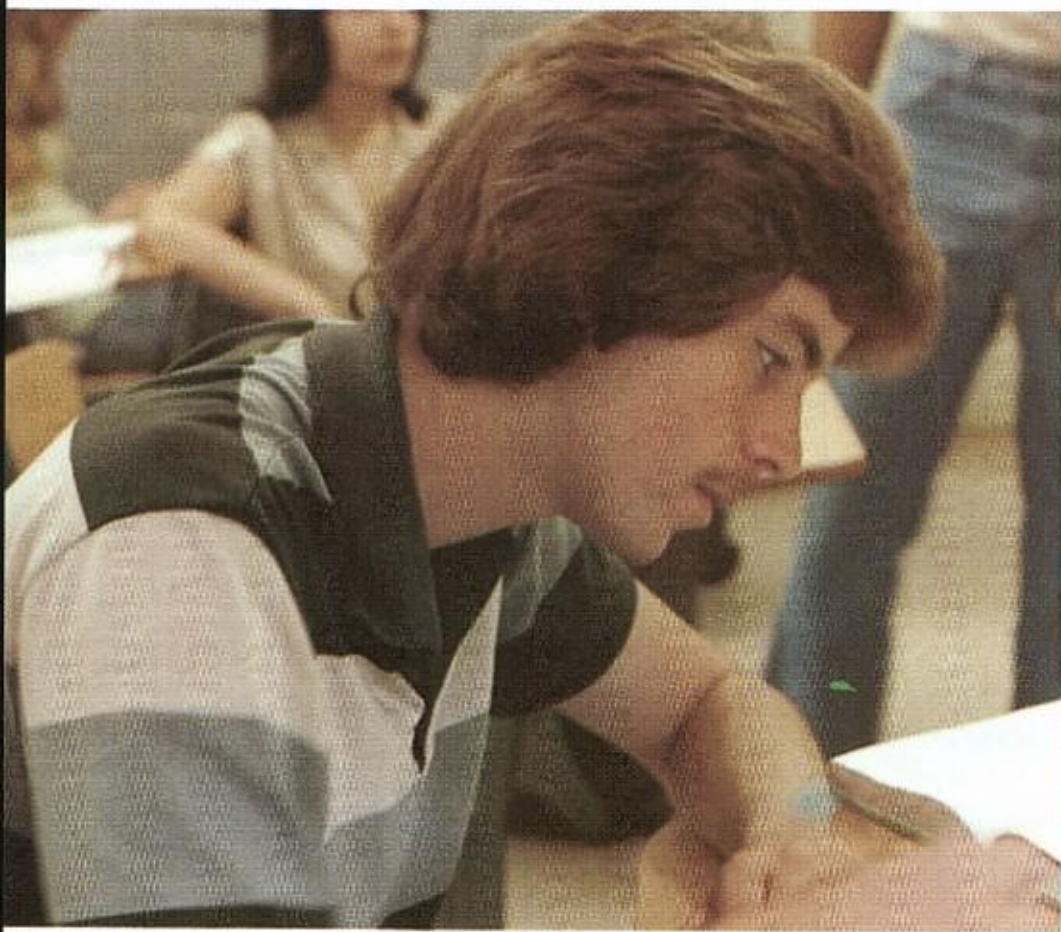

... You can fool everybody down the pathway of years, and get pats on the back as you pass ...

... But your final reward will be
heartaches and tears,
If you've cheated the guy in
the glass!

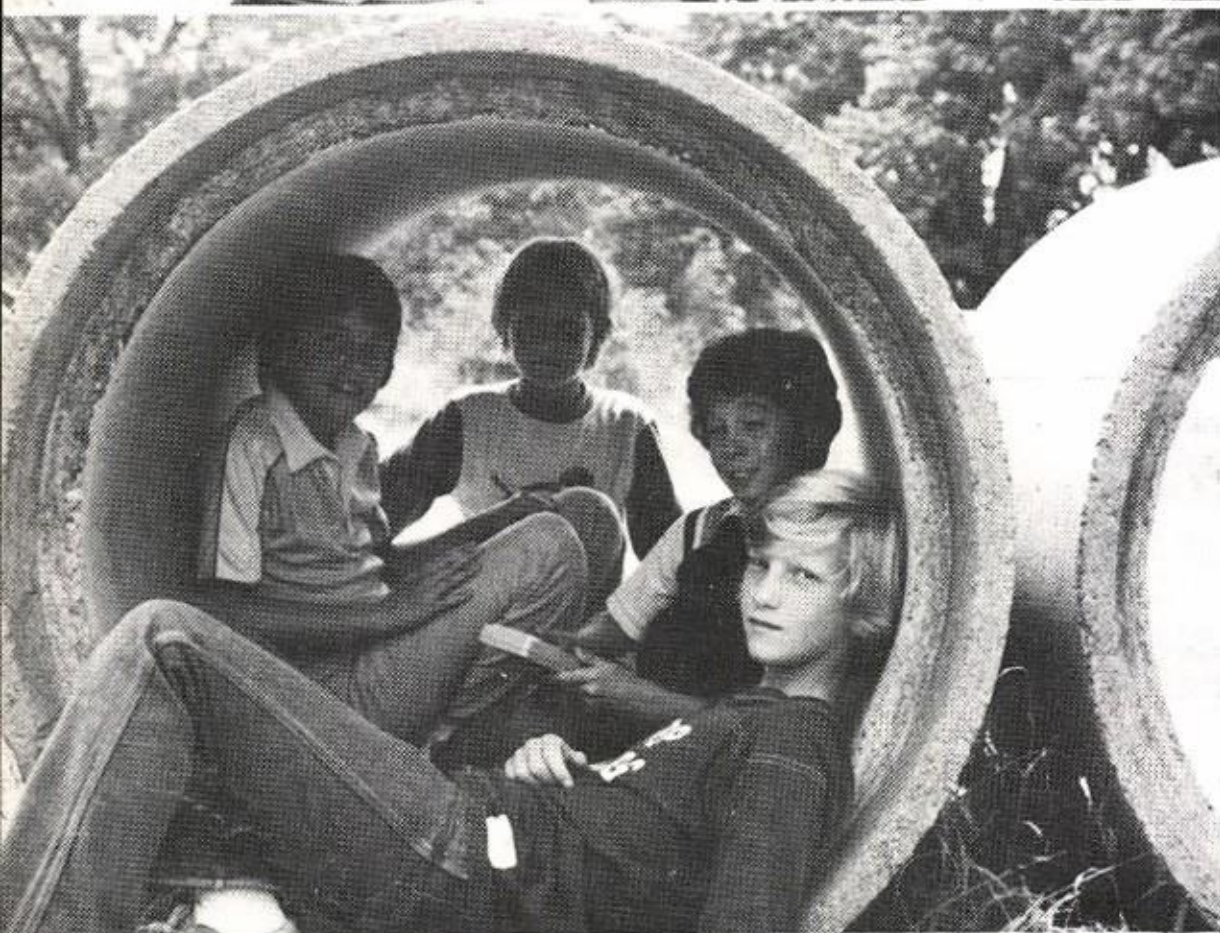

Man cannot discover new oceans unless he has courage to leave the shore . . .

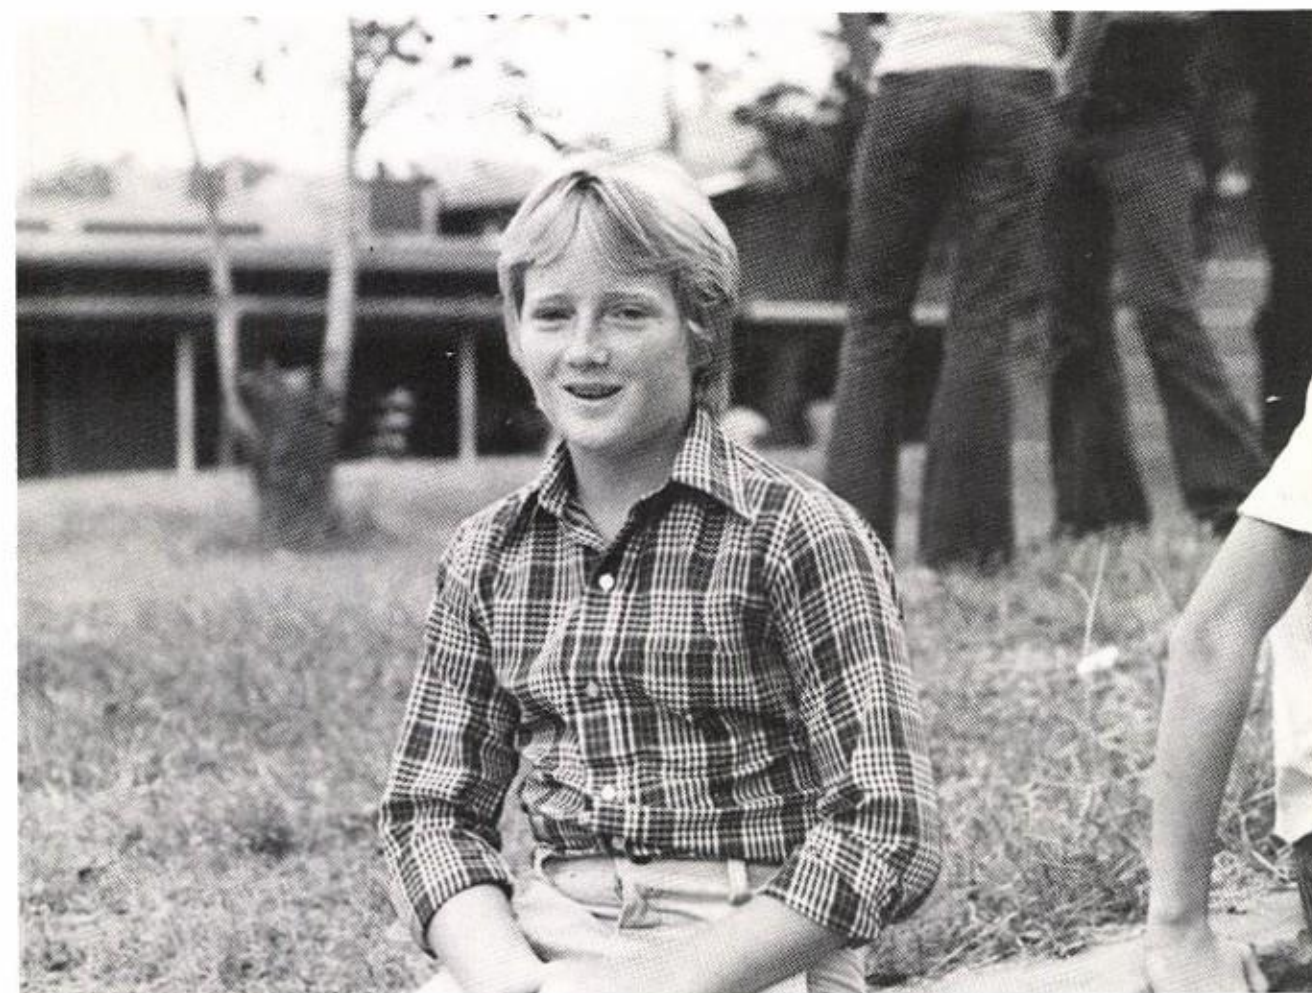

... For life demands an independent attitude, pride, faith in one's fellowman, and the courage to leave the childhood shell of protection and venture forward in his search for happiness and self-satisfaction

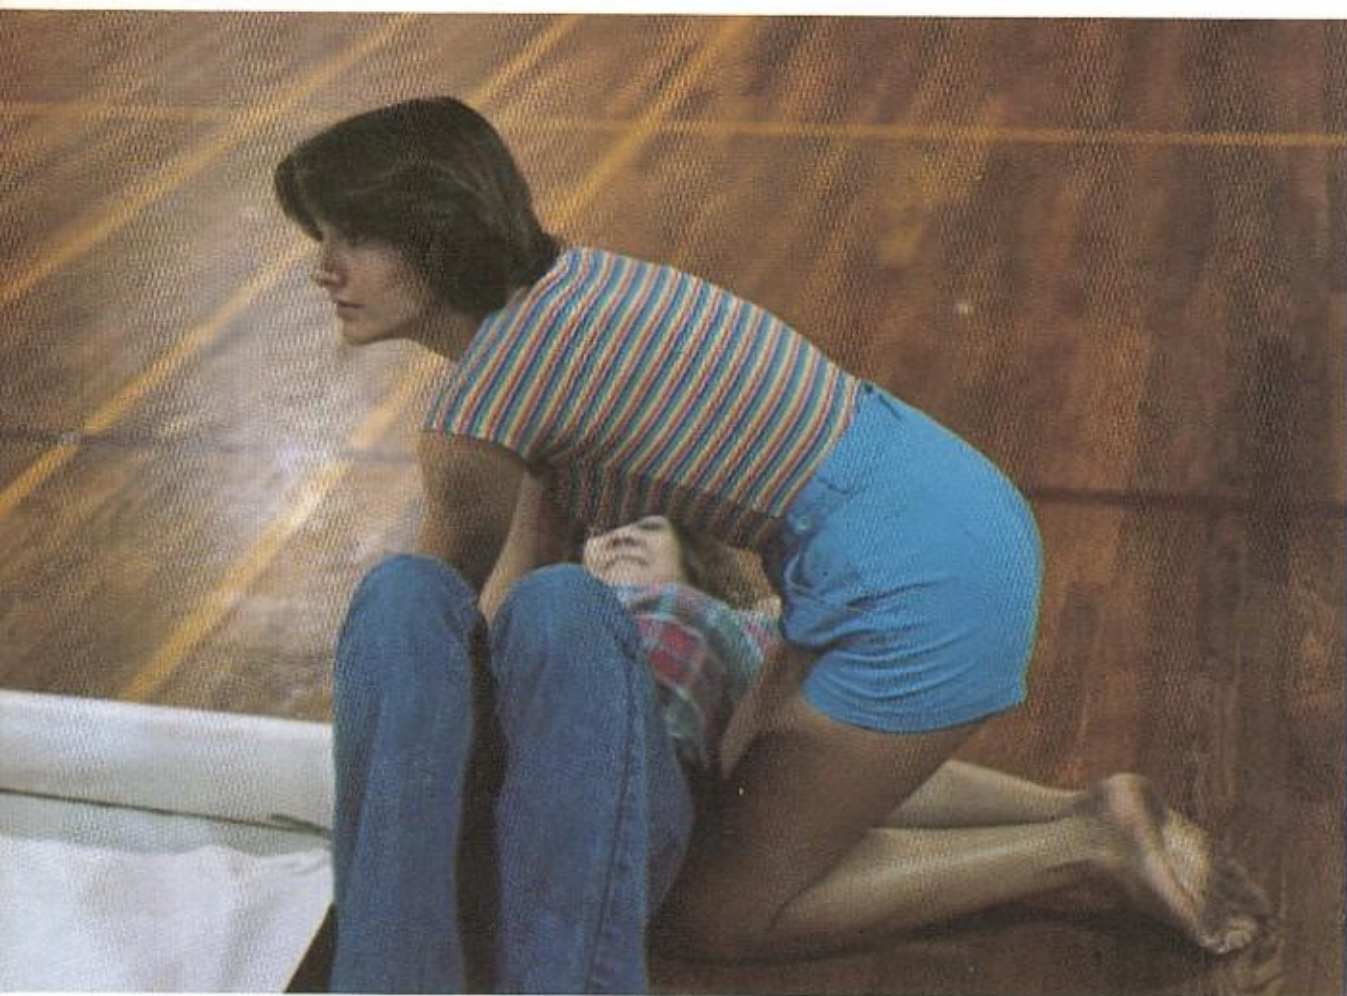

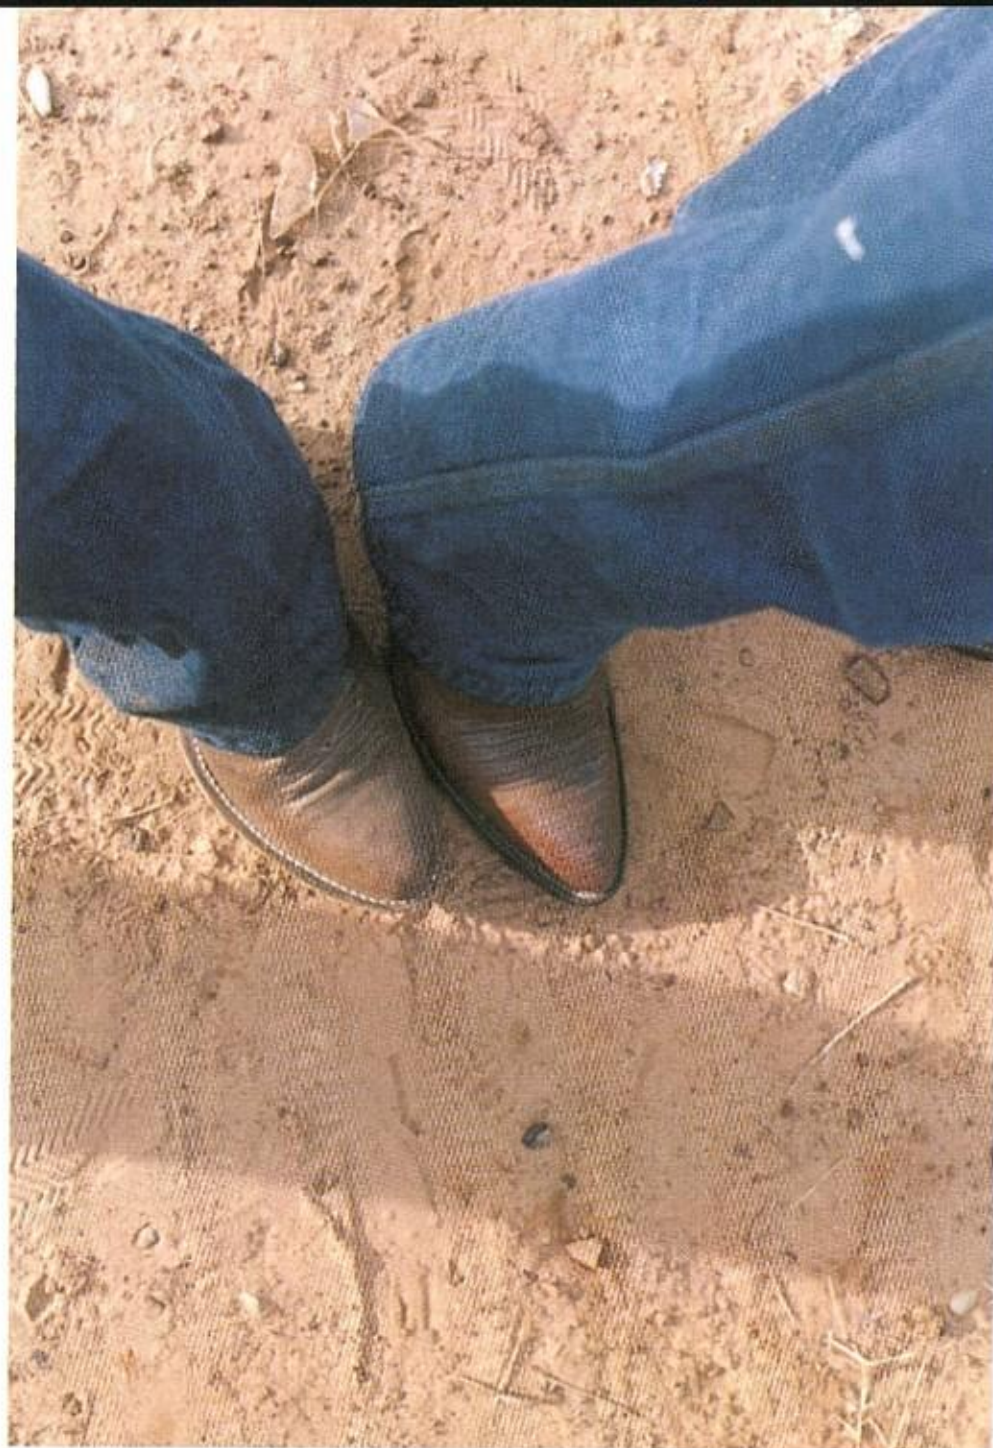

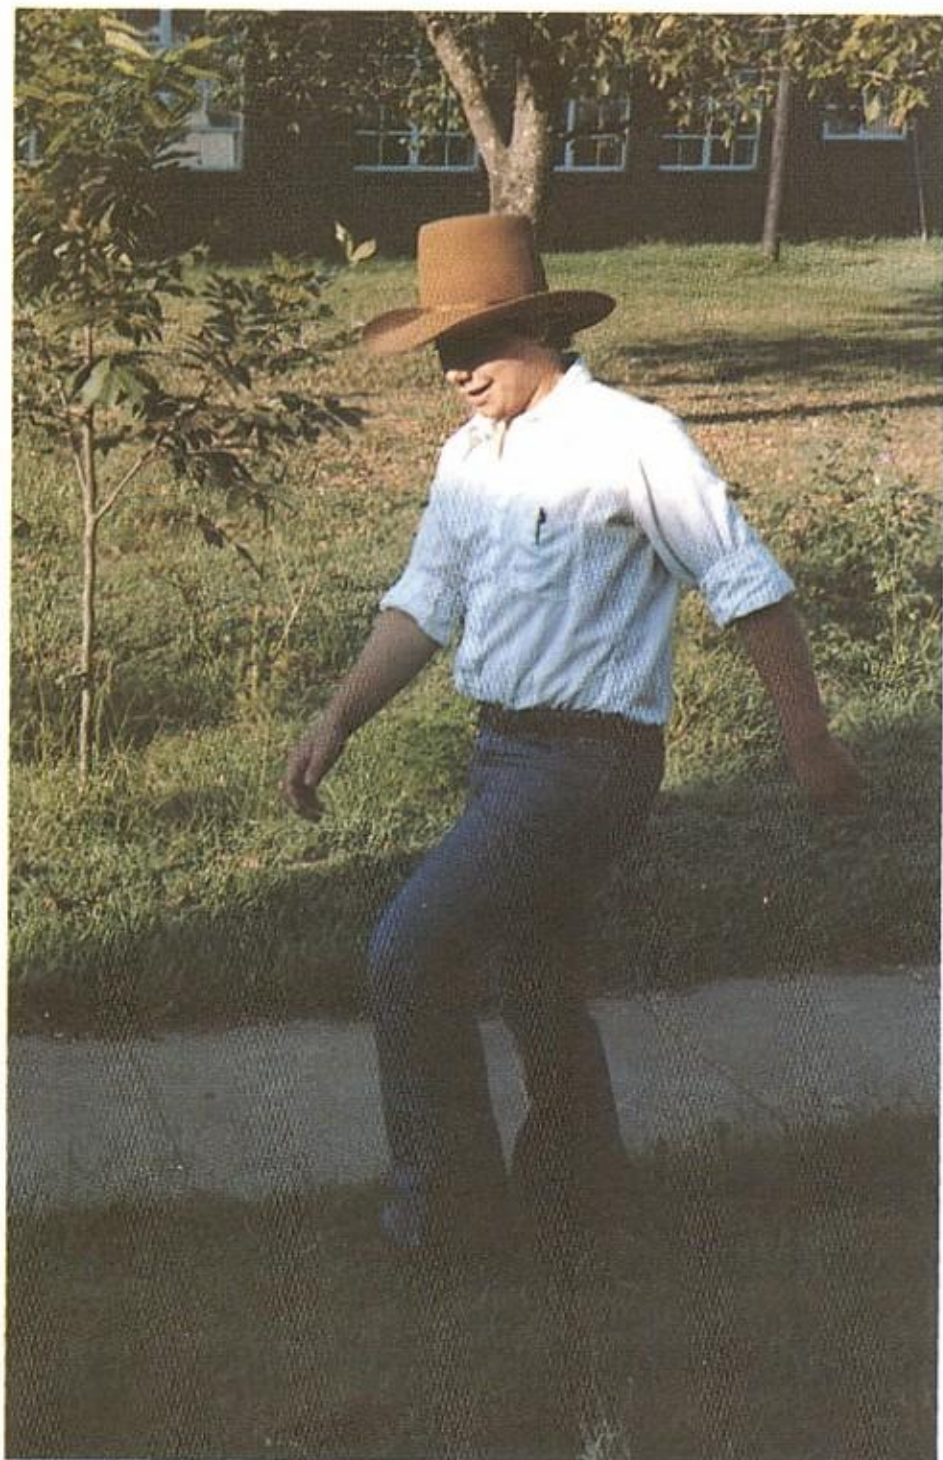

Within each day lies a bright promise

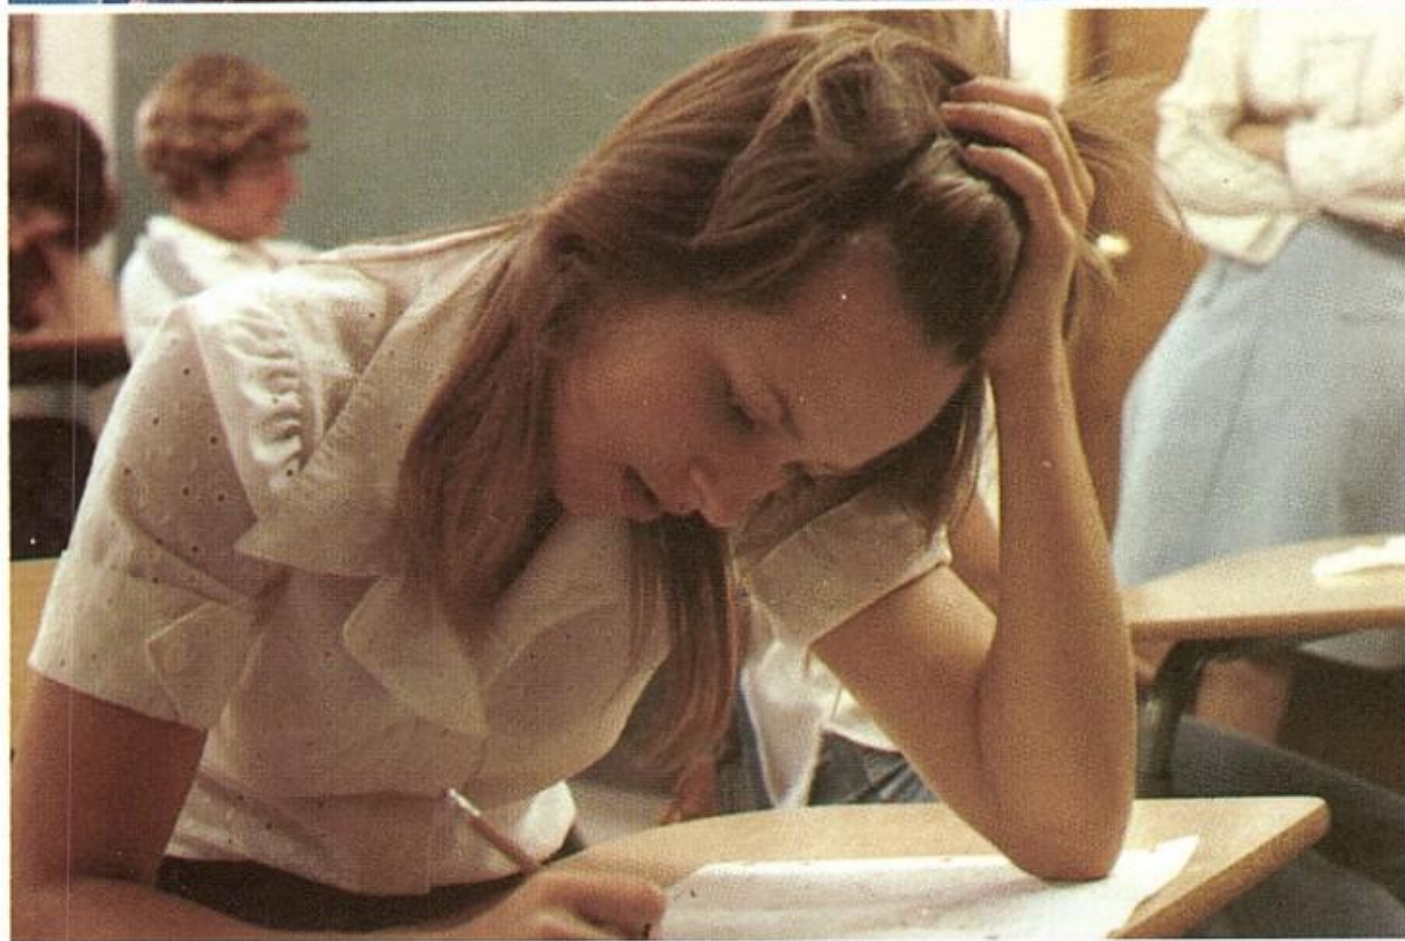

... For those who cherish
yesterday, live today, and dream
tomorrow!

Put your best foot forward!

... And find your place at T.H.S.

Through education we can reveal our thoughts,
communicate our ideas, express our dissatisfactions and
our joys — all shown by photography in a typical day at
T.H.S.

Dedication

Because of the many evidences of their love for Troup School and its students . . . because they are forever interested in the progress and welfare of all young people . . . because of their unending work to make our school a better place, we proudly dedicate the '80 *Tiger* to these two ladies.

Although we know they would prefer to remain in the shadows and would repel any personal glory, they have walked many trails. They are both Christians and play an active role in their respective churches. Both are devoted wives and mothers and their children are a reflection of this love. Both have proven their dedication to their chosen profession, and their students reflect a special love for each of them. They also have many interests other than teaching, such as sewing, gardening, assisting in community projects, and being women of letters.

Yes, theirs is a place of prominence among us, and we are indebted to their untiring energy, courage, and enthusiasm. Therefore, we respectfully praise you and dedicate the pages of this yearbook to you, *Mrs. Roddy* and *Mrs. McMichael*.

Football an Impressive Season!!!

The T.H.S. Tigers had one of the most rewarding seasons ever during the fall of 1979 as they won the District 18a championships, went on to snatch the Bi-district win over Frankston, the hard-fought regional victory over Hawkins and racked up a quarter-final win over Lovelady.

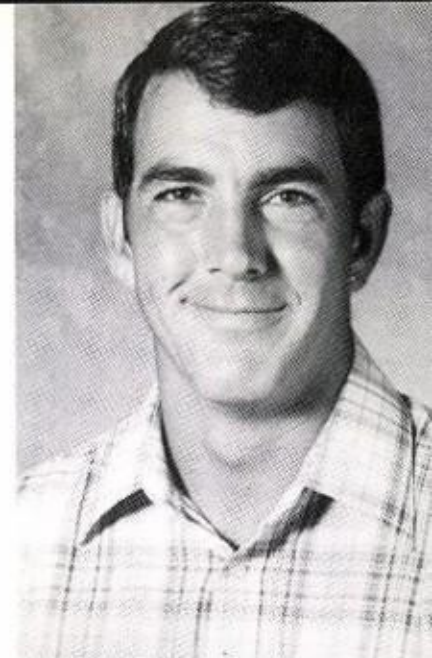

Their potent offense coupled with a staunch defense was unmatched until they met the Hull-Daisetta Bobcats in a Semi-final bout which ended in a 22-21 score against the Tigers.

Even this one-point loss didn't keep the Tigers from being number one in Troup and in all East Texas as they displayed genuine sportsmanship and the Tiger spirit throughout the entire season.

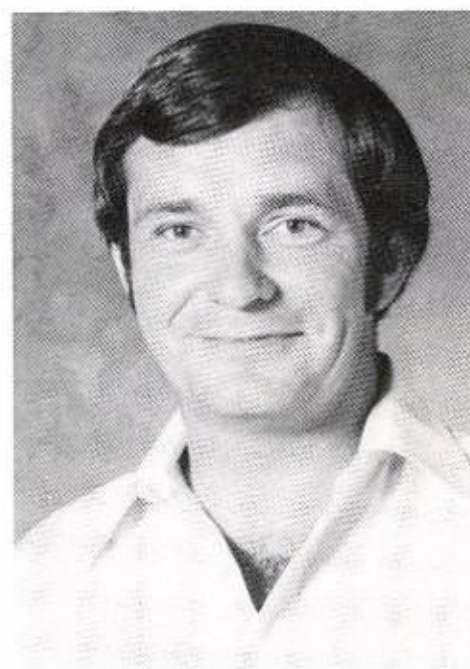

We're proud of you, *Tigers!*

Kindling a Musical Spirit

This year the T.H.S. band has completed one of its most successful seasons. Under the direction of Mr. Jim Jordan, the band proudly displayed the spirit of T.H.S. throughout the year. Whether providing music and halftime entertainment at football games, supporting the student body at pep rallies, or marching in a colorful parade, the band was always prepared to lend its talent.

T.H.S. Varsity Cheerleaders

The football and basketball games, as well as Friday afternoon pep rallies, will always be remembered as events full of enthusiasm and crowd excitement.

Who created that spirit? . . . The T.H.S. cheerleaders. Yes, the girls took real pride in their jobs and did their very best to stimulate the fans into cheering for the home team.

The cheerleaders meant more to T.H.S. than just tradition; they were the sparks that ignited the school's fiery spirit.

National Honor Society

Membership in the National Honor Society is both an honor and a responsibility. Students elected to membership are expected to continue to demonstrate the qualities of character, scholarship, service, and leadership.

Johnny Dowdy
Pres. — Sr.

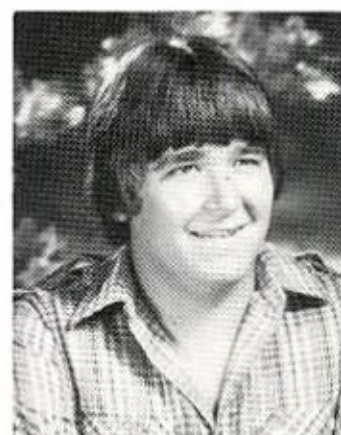

- The C of character is the power that makes men famous, the product of constant striving to make the right choice and maintain self-control.
- The S of scholarship means that a student must maintain a "B" average because "learning furnishes the lamp by which we read the past and the light which illuminates the future."
- The S of service to others gives us the highest form of happiness: "much has been given to us, and much will be expected from us."
- The L of leadership represents the love of life.

Administration and Faculty

1979-80 School Board

Seated: Messrs. Hollis Baldree, Secretary; Roy Jimerson, President, and Homer Jones, Vice-President.
Standing: Messrs. Harlan Thacker, Advisor; Travis Thompson; James Hamilton, Grover Davis, and Fuston Tackett.

Responsible for the administration of the school is the Board of Education. They keep the system in accordance with the requirements of the community, Texas law, and the State Board of Education.

Day after day problems arise which are both challenging and sometimes disturbing; yet these men find time from their busy work day schedules to evaluate and make decisions for the improvement of public education in Troup Schools.

Even though, in many cases, theirs is a thankless task, it is also a rewarding and satisfying one, for it is an opportunity for service and the best investment in the future of America which any man can make.

Jo Ann Northcutt, their "Girl Friday" also makes her contribution as she serves in the position of recording secretary for the Board.

A simple "thank you" seems inadequate, but it expresses a sincere appreciation to these who serve so tirelessly.

Parent-Teacher Association

Seated: Wanda Chumley, Treasurer; Judy Thomas, Secretary; Sandy Cannon, Vice-President
Standing: Ava Ashby, President

Objects

TO PROMOTE the welfare of children and youth in the home, church, school and community.

TO RAISE the standards of home life.

TO SECURE adequate laws for the care and protection of children and youth.

TO BRING into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child.

TO DEVELOP between educators and the general public such unified efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

Sophomores Arrive With Pride!

As sophomores we stood in long lines for schedule changes, searched for classes minutes after the last bell had rung and violated traditions without even knowing it. But, at least, we were one step up the ladder from being a Freshman, and that made us happy amid all other conflicts.

Mirrored Reflections

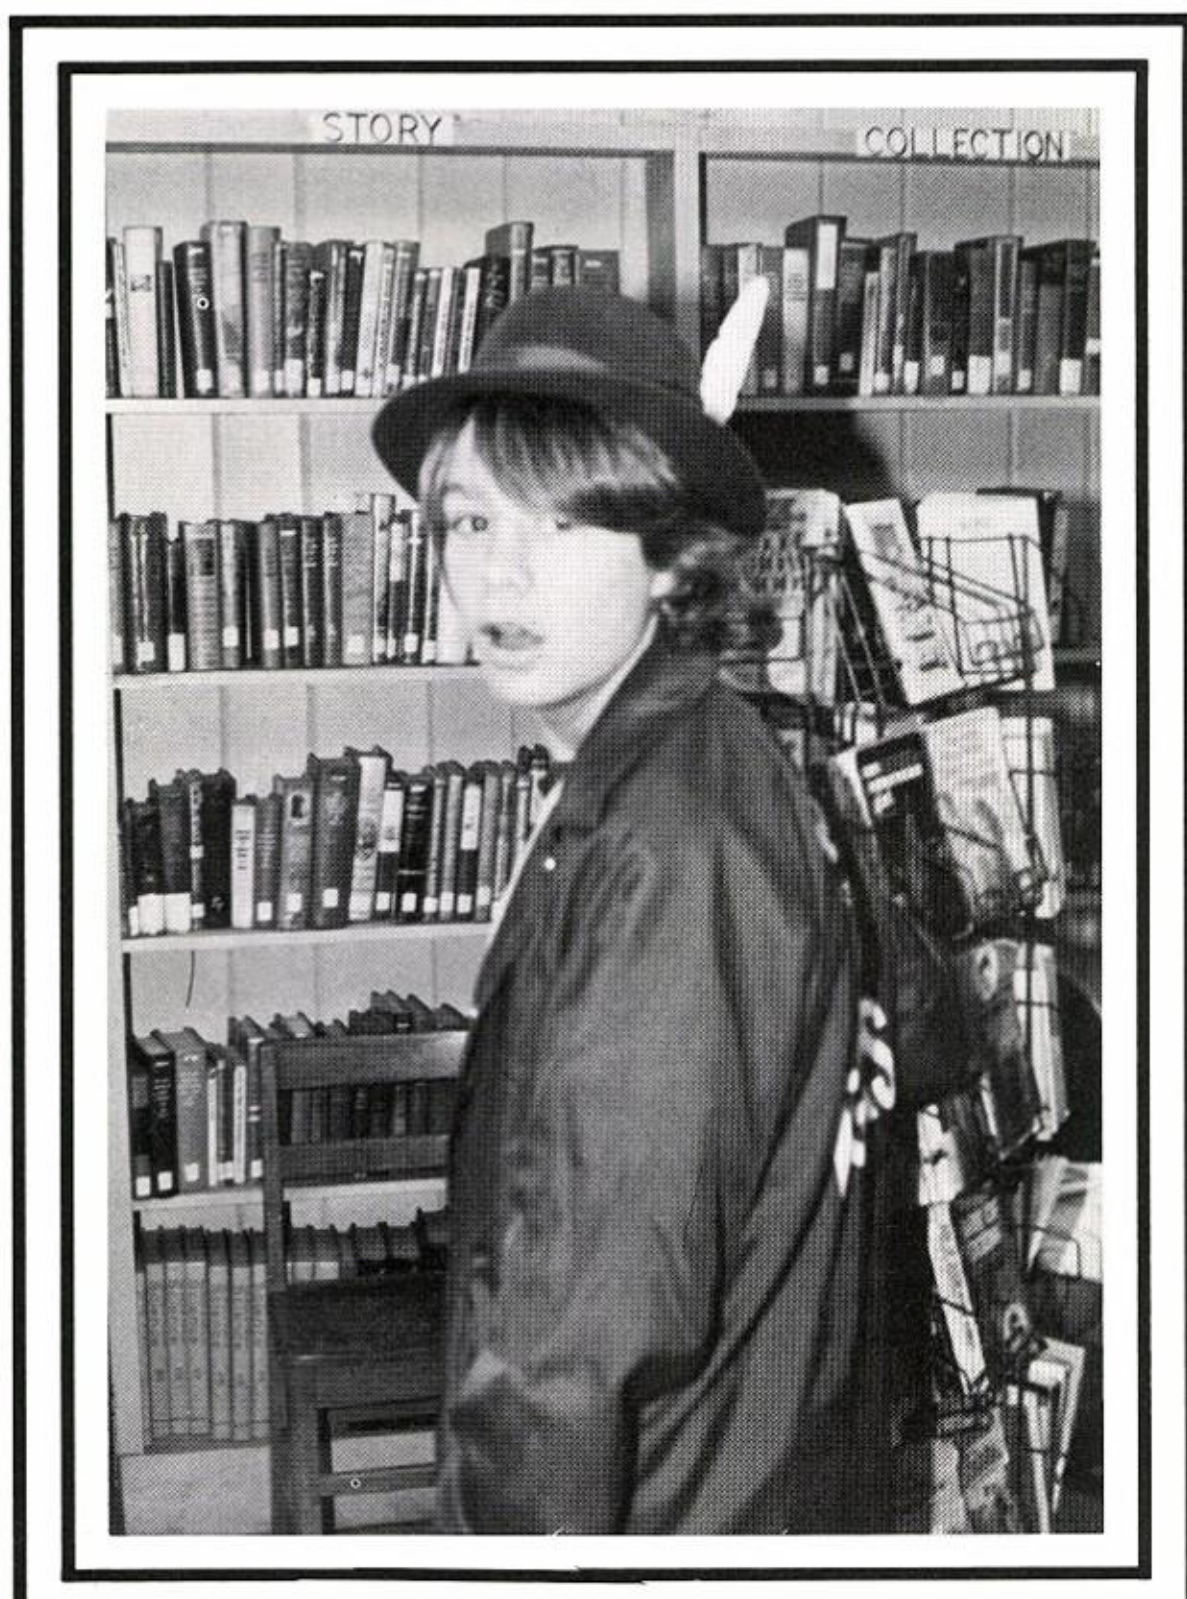

Teresa Alwell, Suzanne Obar, and Melinda Wilson, Editors.

A unique school year, 1979-1980, happened after we had finished three years of high school. Yet, as we look into our mirror, graduation time draws near.

Our names will be called to receive our diplomas, and then we'll leave the comfortable routine of school life and the friends who are so familiar. We'll then go in different directions to fulfill different dreams, and we wonder how soon the memories of this, our senior year, will begin to fade.

For it was a year with new dimensions: when youths became men, followers became leaders, and attitudes turned to ideals. It was also a year when tensions of aggravation and disappointment in failure and jubilation and confidence in success were present.

But, as we seniors leave our sheltered lives and enter into a competitive society, this year will forever be mirrored in our minds, hearts, and souls through the pages of this, our *1980 Tiger*.

"The better part of every man's education is that which he gives himself."

James Russell Lowell

The Troup School Board has adopted the above philosophy and is endeavoring to help each student develop his potential in every area of education. All materials, facilities and personnel selected and every policy adopted are done so with this in mind. We must never forget that the hopes and aspirations of our community depend upon the end product of our efforts in educating our youth.

Congratulations Seniors of '80

Live Each Day to the Fullest

Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets.

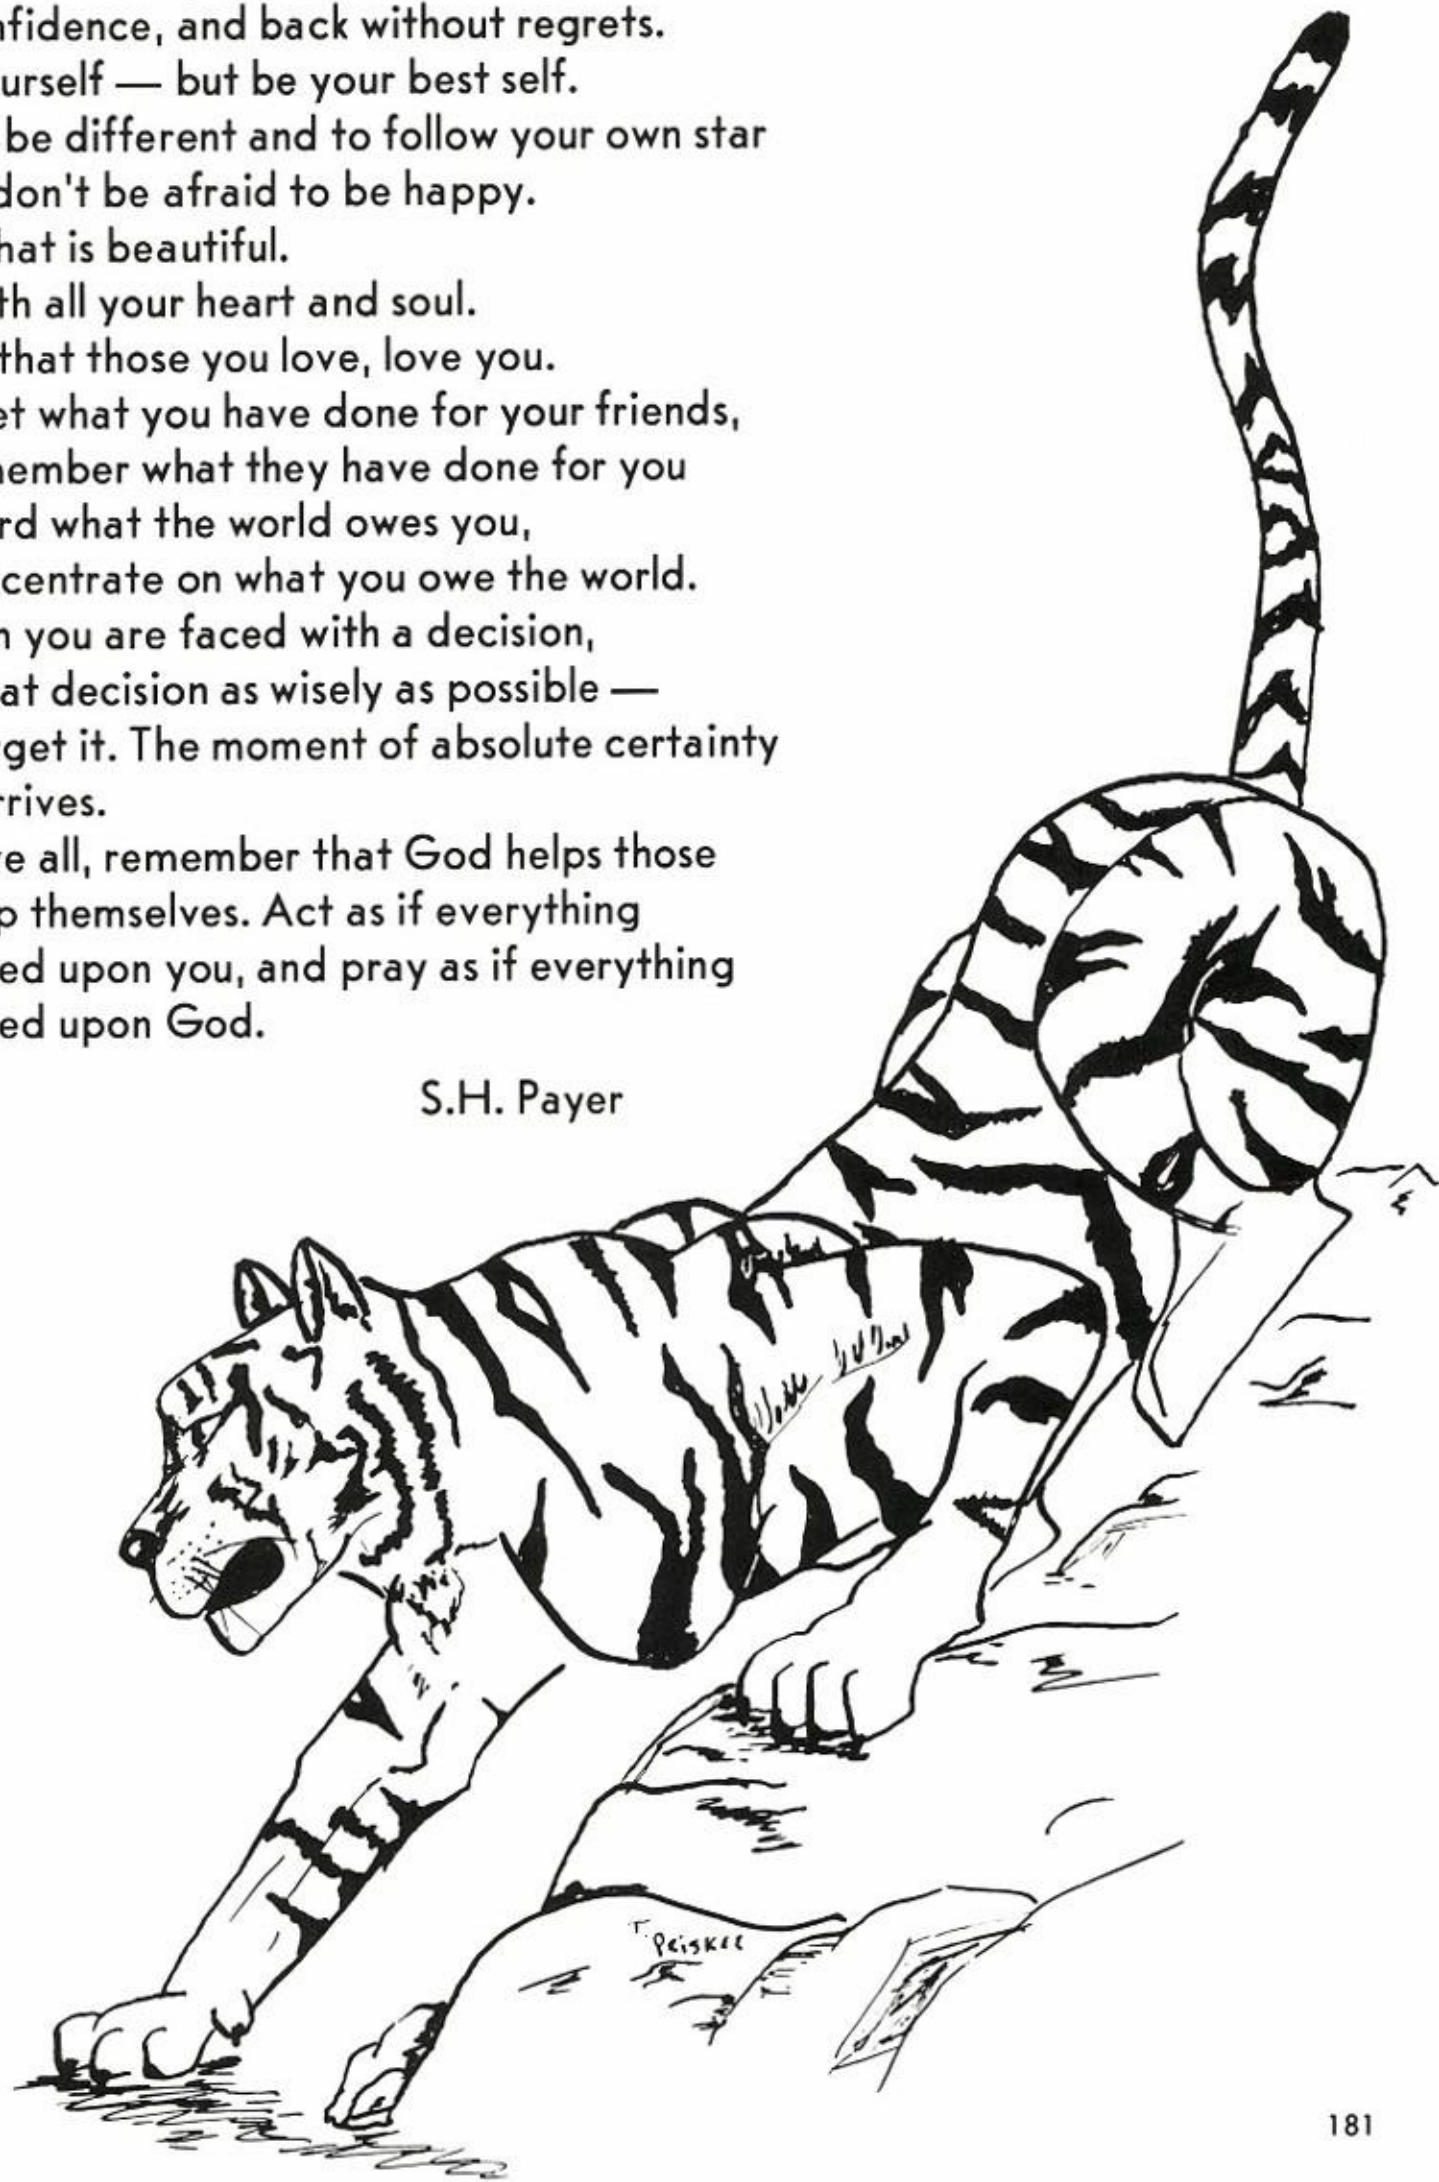

Be yourself — but be your best self.
Dare to be different and to follow your own star
And don't be afraid to be happy.
Enjoy what is beautiful.
Love with all your heart and soul.
Believe that those you love, love you.

Forget what you have done for your friends,
and remember what they have done for you
Disregard what the world owes you,
and concentrate on what you owe the world.

When you are faced with a decision,
make that decision as wisely as possible —
then forget it. The moment of absolute certainty
never arrives.

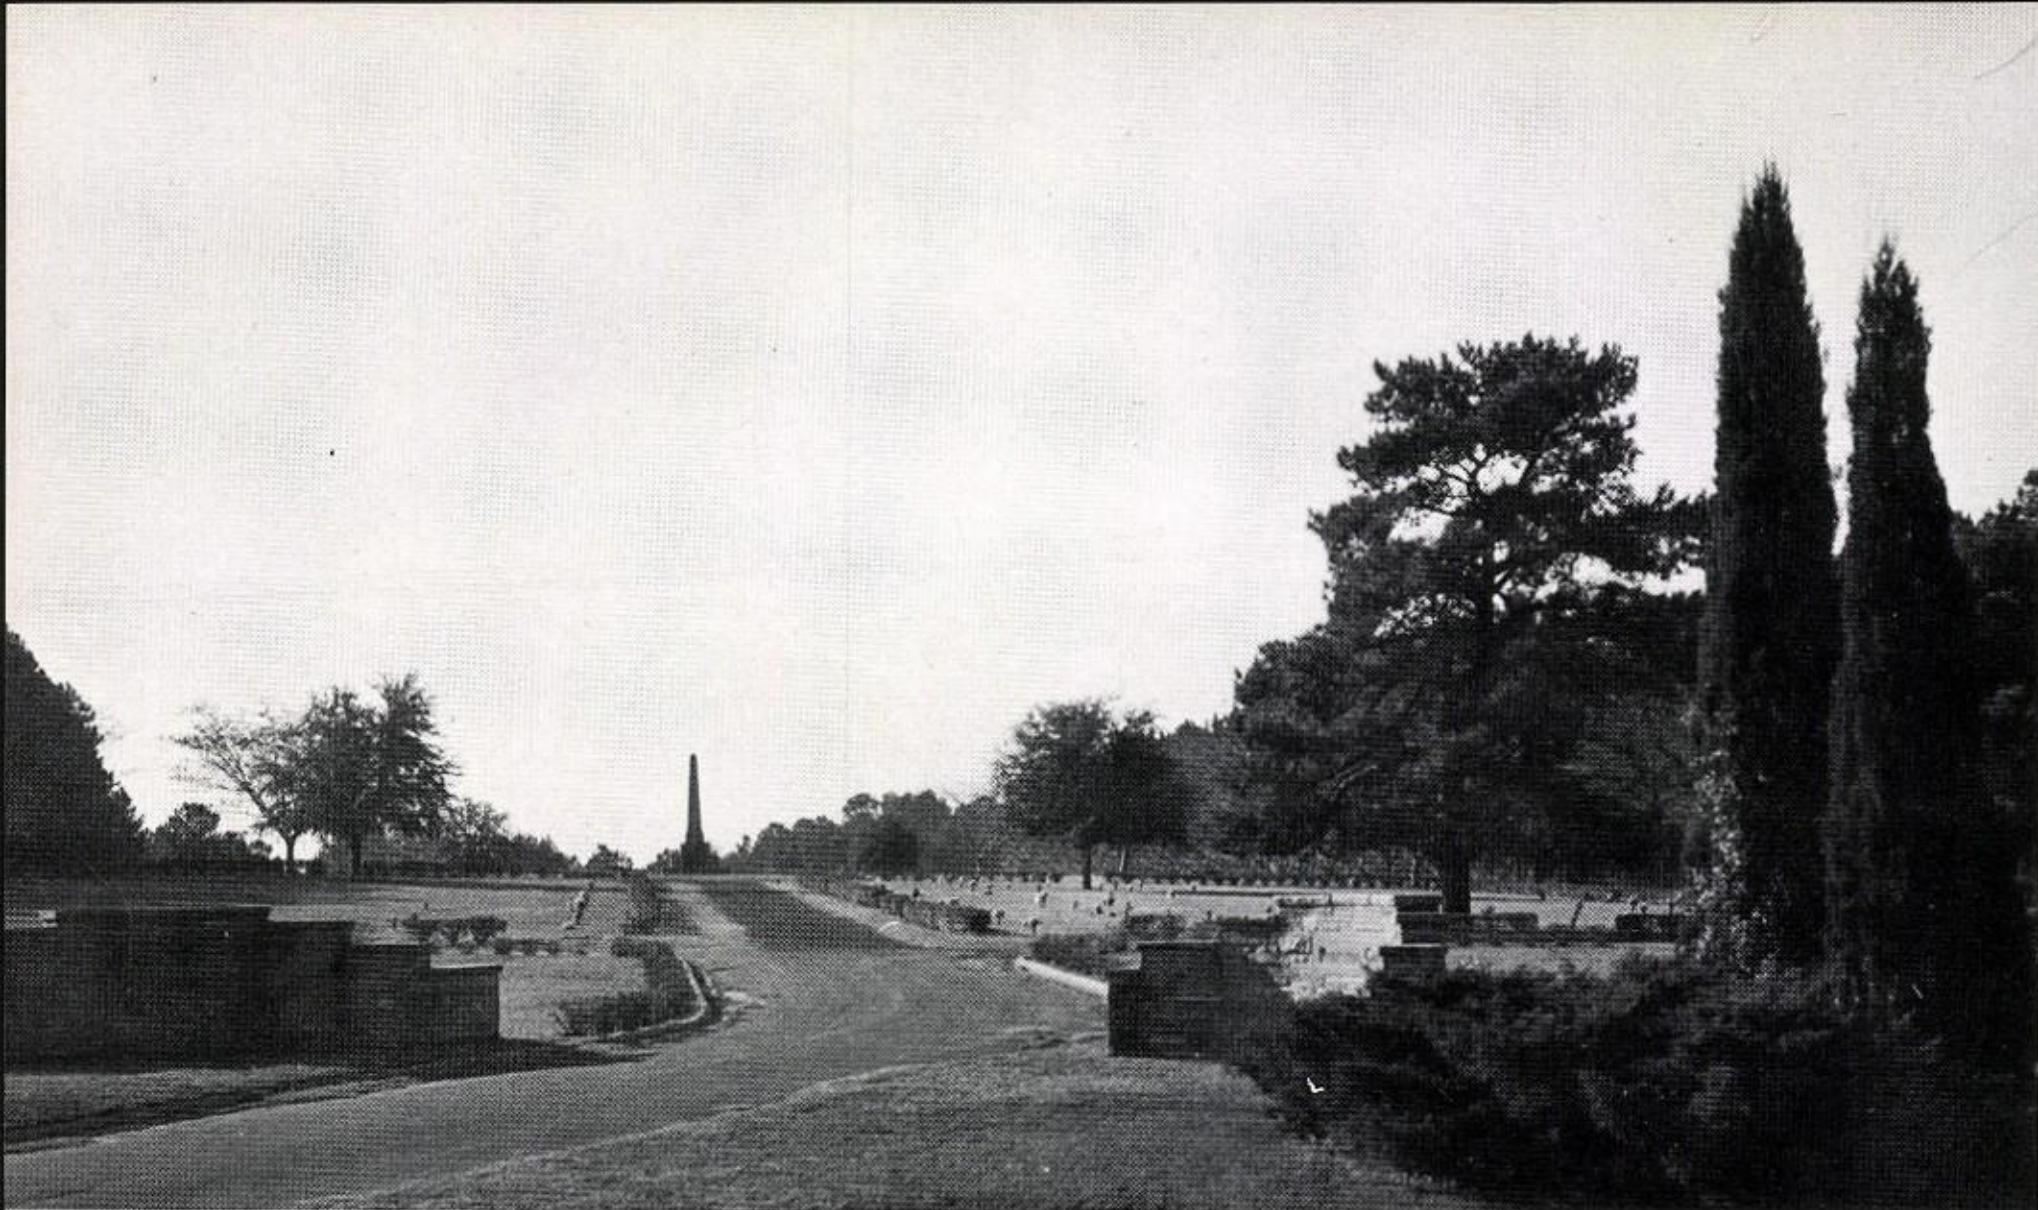

Above all, remember that God helps those
who help themselves. Act as if everything
depended upon you, and pray as if everything
depended upon God.
